

- I** I did this independently with no help.
S I did this with some support.
H I needed lots of help and found it tricky.

Maple Homework Grid: Ancient Egypt

English		Maths		Topic/Creative									
Writing: Persuasive poster Create a persuasive poster advertising a job to help build the pyramids. Include: - A catchy job title (e.g., "Wanted: Pyramid Builders!") - What the job involves (lifting stones, working in teams, building history!) - Skills needed (strong muscles, teamwork...) - Rewards offered (food, shelter, honour from the Pharaoh!) -Persuasive language so people want to apply. You can decorate your poster with Egyptian symbols/hieroglyphics to make it stand out!	Date: Comments:	Fractions Show fractions using diagrams and colour! 1. Draw shapes (e.g., circles, rectangles, squares) and divide them to show: a) One half d) One fifth b) One third e) One eighth c) One quarter 2. Shade in the correct parts to show each fraction clearly. 3. Label each diagram with the fraction and a sentence explaining it. (Example: "This circle is split into 4 equal parts. One part is shaded, so it shows one quarter.")	Date: Comments:	Science: X-ray Draw and label the skeleton of a human or animal. Include key bones such as: skull, spine, ribs, pelvis,... Use colour or shading to show which bones help with movement and which protect important organs. Then, explain: Which bones help the body move? Which bones protect important parts like the brain, heart, or lungs? What differences do you notice between human and animal skeletons?	Date: Comments:								
Reading: Become a reading archaeologist! Choose a book, article, or story linked to Ancient Egypt (it could be about pyramids, mummies, pharaohs, or Egyptian gods). Complete this challenge: - Write down 3 fascinating facts you discovered. - Write down 2 unknown words and copy the meaning from a dictionary. - Draw 1 picture of something from your reading (a pyramid, scarab beetle, a god,...)	Date: Comments:	Geometry Create a picture using only 2D shapes! Design a scene (e.g., a robot, house, animal, vehicle...) using only the shapes below. You can draw, cut and stick, or use a computer if you prefer. Can you use them all? <table><tr><td>Triangle</td><td>Square</td></tr><tr><td>Oval</td><td>Rectangle</td></tr><tr><td>Circle</td><td>Rhombus</td></tr><tr><td>Pentagon</td><td>Hexagon</td></tr></table> Challenge: Write a short paragraph explaining your design and how you used each shape.	Triangle	Square	Oval	Rectangle	Circle	Rhombus	Pentagon	Hexagon	Date: Comments:	History: Ancient Egypt Quiz Make a quiz to test someone's knowledge of Ancient Egypt. Do your own research or complete this task later on in the term as we learn more about this topic. Your questions can be multiple choice, true/false, or short answer. Write down the answers to check they get it right!	Date: Comments:
Triangle	Square												
Oval	Rectangle												
Circle	Rhombus												
Pentagon	Hexagon												
Spelling Practice: Use the pyramid method to practise your spellings. Y3/Y4 words: ordinary, particular, peculiar, perhaps, popular, position, possess, possession.	Date: Comments:	Telling the time There are Purple Mash tasks set as a 2Do, but you can use any activity/game to practise. Y3 - Telling and writing the time to five minutes using an analogue clock. Y4 - Telling the time to the nearest minute.	Date: Comments:	Art: Hieroglyphics Create your own Ancient Egyptian cartouche with hieroglyphics that spell your name or a secret message!	Date: Comments:								
				PSCHE: Stereotypes Talk about things people sometimes say like "boys don't cry" or "girls aren't good at football." Discuss why these ideas aren't true and how everyone should be free to enjoy what they love. Write about a person who breaks a stereotype.	Date: Comments:
