

- I** I did this independently with no help.
S I did this with some support.
H I needed lots of help and found it tricky.

Maple Homework Grid: Mythical Creatures

English		Maths		Topic/Creative	
Writing: Make up a new creature Choose three animals and combine their features to create your own fantasy creature. Think about their appearance, personality, likes and dislikes, skills, etc. If you need to, draw a picture and label it before you write. Then, write your own character description like the one we have written in school about our dragon. 	Date: Comments:	Adding and subtracting: 70 more than 769 500 more than 154 90 less than 433 400 less than 679 60 more than 581 300 more than 91 40 less than 208 200 less than 708 Challenge: Create your own questions adding and subtracting tens and hundreds.	Date: Comments:	Science: Mixtures and separating them Come up with your own experiment to explore how substances react when being mixed. This could be a recipe, making slime or dough, 'underwater fireworks' experiment or creating a non-Newtonian fluid. Be creative, observe and make your own conclusions. Challenge: write the process of your experiment, equipment, method, results, conclusion.	Date: Comments:
Writing: How to catch a dragon? Write a set of instructions to teach me how to catch a dragon. Don't forget title and subheadings (like 'you will need' and 'method'), steps in chronological order and clear step-by-step orders.	Date: Comments:	Multiplication and division: Write the missing number in the box. Y3 Y4 ① 4 children at each table. ① Green apples 5748 <input type="text"/> children at 7 tables. Red apples 3293 <input type="text"/> apples altogether ② 24 sweets. 3 friends. ② Each glass holds 185 ml. <input type="text"/> sweets each. Six glasses hold <input type="text"/> ml. ③ Jo has twelve 50p coins. ③ A new car costs £9168. She has £ <input type="text"/> altogether. A used car costs £4795. The used car is £ <input type="text"/> cheaper. ④ Ten tickets cost £100. ④ 9 flowers in each tray One ticket cost £ <input type="text"/> . <input type="text"/> trays for 117 flowers ⑤ Each box holds 8 cakes. ⑤ 12 rolls in each pack 72 cakes <input type="text"/> boxes. <input type="text"/> rolls in 168 packs	Date: Comments:	History: Research This term in history we are learning about Stone and Iron Age. Research all about a prehistoric site in the UK and record your findings in any way you want (presentation, leaflet, poster).
