Part A: Pupil premium strategy plan

Statement of intent

At St Martin's East Woodhay CE (Aided) Primary School, we believe:

- that all children have a right to high quality inclusive teaching and learning that meets their individual needs;
- that all children have the right to learn in a nurturing environment where they feel a sense of belonging, safety and security.

We believe that every child is an individual and we will consider the specific needs of every child, including any barriers to learning, when deciding on the type(s) and level of support and intervention to be allocated to that child.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Emotional wellbeing: -children have had to leave their home due to war, -children have faced significant trauma and do not feel safe, -social, emotional and mental health difficulties, -difficulties with self-esteem, anger management and handling bereavement, -difficulties with social skills and lack of social interaction during COVID.
2	Educational and learning needs: -gaps in knowledge, -specific learning difficulties, -speech, language and communication difficulties.
3	Attendance and punctuality: -due to medical need, -due to separation anxiety due to trauma or after home learning.
4	Family: -parental engagement, -parent ability to communicate with school due to EAL, -capacity to support learning, -lack of parental time due to work commitments, -family aspiration, -parenting capacity.
5	Finance and the ability to pay for: -residential, -curriculum enrichment clubs, -school uniform, -basic stationery including books and pencils at home, -off-site activities, -visitors to school.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Children make expected or better progress and be ready for the next stage of their education.	Children will meet their agreed end of year targets for reading, writing and maths.
Children participate in a range of different enrichment opportunities which develop them as holistic learners.	Children will attend the Year 5/6 residential. Children will take part in all off-site visits. Children will participate in at least one enrichment club.
Children have the skills and support needed to ensure good mental wellbeing. Children feel safe and happy at school.	Children's emotional wellbeing enables them to access learning and make expected progress. Children demonstrate a good understanding of their emotional wellbeing and have strategies to use when necessary. Evidence will come from: *observations, *pupil conferencing, *pupil questionnaires, *parental feedback.
Parents and carers with engage with school, seek support for themselves and their children when necessary and support their children with their learning.	Positive relationships between school and home will ensure children's wellbeing and learning needs are met.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

There were 11 pupils in the 2022 – 2023 academic year who were entitled to Pupil Premium, Pupil Premium Plus or Service Premium. The table below identifies the impact that our pupil premium activity had on these pupils in the 2022 to 2023 academic year.

Intended outcome	Success criteria	Evidence																				
Children make expected or better progress and be ready for the next stage of their education.	Children will meet their agreed end of year targets for reading, writing and maths.	<p>Interventions records show that the 10 children who have received additional support have all made progress.</p> <p>At the end of the year pupil outcomes were as follows:</p> <table border="1"> <thead> <tr> <th></th> <th>WT</th> <th>CT</th> <th>AT</th> <th>GD</th> </tr> </thead> <tbody> <tr> <td>Reading</td> <td>5</td> <td>0</td> <td>4</td> <td>2</td> </tr> <tr> <td>Writing</td> <td>6</td> <td>1</td> <td>4</td> <td>0</td> </tr> <tr> <td>Maths</td> <td>4</td> <td>0</td> <td>4</td> <td>3</td> </tr> </tbody> </table> <p>All children met their individual targets except for: 1 child who was targets at GD in reading but achieved AT, 1 child who was targeted at WT in writing but achieved CT, 1 child who was targeted at WT in maths but achieved AT, 1 child who was targeted at GD in maths but achieved AT.</p>		WT	CT	AT	GD	Reading	5	0	4	2	Writing	6	1	4	0	Maths	4	0	4	3

Maths	4	0	4	3																		
Children participate in a range of different enrichment opportunities which develop them as holistic learners.	Children will attend the Year 5/6 residential. Children will take part in all off-site visits. Children will participate in at least one enrichment club.	<p>All children in Year 5 and 6 attended the residential. All children in Year R – 6 attended all off site visits. All children attended at least 1 club including, yoga, football (including representing school in a competition) and choir (including a performance in Newbury town centre).</p> <p>All children attended at least 1 SA activity, including cinema night and the disco.</p>																				
Children have the skills and support needed to ensure good mental wellbeing. Children feel safe and happy at school.	Children's emotional wellbeing enables them to access learning and make expected progress. Children demonstrate a good understanding of their emotional wellbeing and have strategies to use when necessary. Evidence will come from: *observations, *pupil conferencing, *pupil questionnaires, *parental feedback.	<p>Outcomes from pupil questionnaire and pupil conferencing show all children entitled to PP feel happy and safe in school.</p> <p>Observations from SLT 360 monitoring show that all children entitled to PP are access learning in class. Appropriate support and adaptations are in place where necessary.</p> <p>Time to talk feedback shows that the 7 children who have attended sessions have a good understanding of wellbeing and know who to talk to if they need help.</p>																				

Parents and carers with engage with school, seek support for themselves and their children when necessary and support their children with their learning.	Positive relationships between school and home will ensure children's wellbeing and learning needs are met.	Outcomes from parent and carer questionnaires show all parents of children entitled to PP know how to approach school and feel confident in doing so. Records of meetings with SLT show all parents of children entitled to PP feel well supported by school and know who to talk to if they are unsure of anything.
