

St Martin's East Woodhay CE (Aided) Primary School

**Impact of the Primary
P.E. and Sport Premium
March 2021**

What is the Primary PE and Sport Premium?

- The Sports Premium is an allocation of funds from the government to support children's physical development. The school receives funds based on the number of children on roll, together with a lump sum, and the Headteacher and Governing Body then decide how the money is used to support the children's education.
- All schools are required to report on the amount of funding received, how this is being used and the impact of the work undertaken.

What is the purpose of the Primary PE and Sport Premium?

Vision: All pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

- Engagement of all pupils in regular physical activity;
- Profile of PE and sport is raised across the school as a tool for whole school improvement;
- Increased confidence, knowledge and skills of all staff in teaching PE and sport;
- Broader experience of a range of sports and activities offered to all pupils;
- Increased participation in competitive sport.

How much is the Primary PE and Sport Premium worth?

Allocation per school	£16,000
Allocation per pupil	£10
Total Income for St Martin's 1 st April 2020 to 31 st March 2021	£17, 280

Evaluating Impact

Key Outcome Indicator	School Focus	Actions to Achieve	Cost	Evidence	Actual Impact	Sustainability/ Next Steps

Evaluating Impact

Key Outcome Indicator	School Focus	Actions to Achieve	Cost	Evidence	Actual Impact	Sustainability/ Next Steps
Broader experience of a range of sports and activities offered to all pupils.	SDP 19/20 Priority 3.1	*HT attendance at wellbeing training as part of the government initiative to ensure all schools are able to offer support to children when schools reopened September 2020. *Whole school INSET training on the school's approach to supporting children returning to school – wellbeing first.	£50 cost split with pupil premium £200 cost split with pupil premium and catch up premium	*Pupil conferencing *SLT monitoring	*Improved mental wellbeing. Children talk about strategies they use when worried or anxious.	Approach to continue.
Broader experience of a range of sports and activities offered to all pupils.	SDP 19/20 Priority 3.1	*Development of the nature area as a calm, peaceful place to be used by all children through clearing of weeds, relaying of bark, repainting woodwork, clearing of pond, putting up of bird boxes, including one with a webcam.	£1000 staff time £100 Paint	*Pupil conferencing *Worship Team meeting minutes *Grant application form	*The nature area is used daily by different children and has a positive impact on their mental wellbeing.	*Provision to continue

Evaluating Impact

Key Outcome Indicator	School Focus	Actions to Achieve	Cost	Evidence	Actual Impact	Sustainability/ Next Steps
Broader experience of a range of sports and activities offered to all pupils.	SDP 19/20 Priority 3.1	<p>*Contribution to maintain the provision of breakfast club and after school club during the Coronavirus Pandemic, which had a significant impact on income and threatened the sustainability of the provision.</p> <p>*Purchase of additional resources to encourage physical activity to ensure every bubble had its own equipment.</p>	<p>£10, 000</p> <p>£200</p>	<p>*Budget monitoring</p> <p>*Correspondence with parents and carers</p>	<p>*Without this contribution, it is highly likely that our wrap around care provision would have folded – due to government guidelines we were unable to run these in Summer 2020 and Spring 1 2021 and numbers were very low at the start of Autumn 2020. However numbers increased to normal at the end of Autumn 2020 and Spring 2.</p> <p>*The provision is highly valued by our parents and children enjoy the sessions which encourage active and healthy lifestyles.</p>	Continue to consider use of sports premium to maintain this provision if necessary.

Swimming

Schools are required to publish details of swimming outcomes at the end of Year 6.

In 2020 - 2021 there were 19 children in the Year 6 cohort.

Number of children who can swim competently, confidently and proficiently over a distance of at least 25 metres	19
Number of children who can use a range of strokes effectively	19
Number of children who can perform safe self-rescue in different water-based situations	19
